A final rejection was mailed in the above-mentioned application to which the applicant did not submit a timely reply. The applicant has now filed a petition to revive along with an amendment after final. Will you please review the amendment filed March 2, 2007 to determine if it places the application in condition for allowance? If it does, please write "OK to enter" on the amendment and initial it also (it should be scanned thereafter). If it does not, please complete an Advisory Action Form (PTOL-303). However, the form should not be mailed to the applicant, but sent to me (either hand-carried, e-mailed or through the internal mail system) in compliance with MPEP 711.03(c)(III)(2)(b). An e-mail message informing me of this, regardless of the outcome, is needed as well. If you have any questions, please feel free to contact me, Sherry Brinkley c/o Office of Petitions, MDW - 7C29, (571) 272-3204.

Thanks so much for your cooperation in this matter. Have a great day!
